[illegible]

1. The first group of people who are interested in the study of the history of the United States are the people who are interested in the history of the United States.

[illegible][illegible][illegible]

1. The first step is to identify the key components of the system. This involves understanding the hardware, software, and data involved. For example, in a web application, this might include the server, the database, and the user interface.
